Chapter 1 by Gyro

Dairy page 1

My student shows potential but lacks discipline. He has been caught raiding the pantry, twice and set the building on fire once. His skills are developing and he is already able to create a half good fireball and truth to be told he is learning faster than I did. The problem is he is inspired to summon an elemental, I just don't want him to get hurt. Hopefully I will find solutions to these problems.

Chapter 2 by Fai

I wasn't so different from him when I was young. I was also head-strong, over-confident, convinced I knew better than my teachers who were mere theoreticians, skipping every exercise I, in my infinite 14-year-old wisdom, didn't think was worthwhile. Until what? Until Lacey. Yes, Lacey changed everything.
